Dear friends,

We are launching a Special Appeal at Elim Missions Ireland to help the children of Swaziland and Zimbabwe. When I visit Africa I can always tell of the poverty by the fact the children have no shoes on their feet. This causes a lot of health issues, yet at home many of us have perfectly good shoes or trainers that are just too small.

We are asking you to donate your unwanted shoes, in good condition. Just polish them up and give £1 towards transport per donation. You can donate as many pairs as you want for £1. You can also donate a toy for an orphan child in Africa or a story book. We are also in need of baby clothes so ring the office and speak to Donna on 02891813845.

I have asked Gary Armstrong to deal with schools in the Ards area. His number is 07701099011 and Glen Armstrong to deal with schools in Armagh area, his number is 07753439920. If you want to get involved please contact Gary or Glen and they will arrange pick up.

Thank you so much for your anticipated support.
